

To Stay Single

Dr J.

What it means
to stay single?

What do we mean by single parenting?

What it means
to stay single?

When something is whole it means

- Containing all its original components
- Not divided
- Not disjointed
- Not impaired
- Not wounded or injured
- Is sound
- Has been restored and healed

What it means to stay single?

Adam in his relationship with God:

- Security – unconditional love
- Self-worth – a sense of being valued and special
- Significance – have meaning and purpose in life

Let's address the intricacies of single parents

1. We need to redefine the term "family"
2. Provide despite
3. Develop support groups
4. Social outings
5. Communal parenting
6. Minister to the children
7. Understand and accept
